

WELCOME TO YOUR COLLECTION TIN

Thank you so much for agreeing to be one of our many dedicated collection tin holders.

We are very grateful to you for choosing to support our vital work in this way.

Your support will not only help change the lives of thousands of children every year, you will be raising brand awareness for such a vital cause.

For every **£150 raised** our incredible volunteers can provide life-changing surgery for a child.

On average, a collection tin holds about **£50**. This means that if you are able to fill up your tin once every four months, at the end of the year you will have changed a child's life!

If you would like a poster or any other materials to accompany your collection tin, just let us know and we will get them sent to you.

We will be in contact with you every 6 months to check in and see how everything is going with your tin as well as provide you with instruction on how to send in the funds raised. If you fill up your tin before we get in touch, give us a call!

To keep everyone's hard earned fundraising safe, we have a few **terms and conditions**.

By accepting this collection tin you will be agreeing to comply with these terms.

- 🌐 Whilst you are the registered keeper of the tin, you will be responsible for it and its contents.
- 🌐 If you intend on moving the tin from the location that you have registered with, you must let Operation Smile know as soon as possible.
